Its location is remarkable for its extraordinary healthfulness and accessibility, being 16 miles north of Richmond, immediately on the Richmond, Fredericksburg and Potomac Railroad, on the most elevated plateau between the Potomac and James rivers.

Its religious influences are invaluable; yet no interference is allowed with the denominational preferences of the students. Prayers are conducted every day in the College Chapel; public worship is held every Sabbath, both morning and evening. A Sunday School is in successful operation under the special superintendence of one of the Professors. A weekly prayer meeting is held by the students. There are also services regularly held in the village churches by ministers of other denominations.

1st. Resolved, That B. R. Wilburn, in entering into an engagement to serve an independent congregation, and thereby by example, if not by precept, encouraging the alienation of the people he was appointed to serve, acted in bad faith toward the Church, and in violation of his ministerial vows, and is deserving of the gravest censure of this Conference, not for his withdrawal from our Church, but for the disingenuous and unmanly measures which he adopted to accomplish his purposes.

1. Resolved, That if even the reasons given by our brother for his refusal were, in the judgment of the Conference, sufficient to justify his declination, still the Conference could but regard the tone and temper of his letter, and in particular, the terms employed therein to express his estimate of the animus

controlling in the making of his appointment, as reprehensible in the highest degree, and as especially unseemly in a person who cannot plead the impetuosity of youth in palliation of the indecorum of opprobrious epithets to the presiding officer of this Conference, as well as to his faithful advisers.

2. Resolved, That in allowing himself to apply terms so full of scornful reproach to an office bearer who embraces, in so high a degree, dignity and courtesy, firmness and gentleness, patience and impartiality, our brother has caused us the greatest surprise and deepest grief.

3. Resolved, That notwithstanding our surprise and grief, on witnessing the exhibition of a spirit so unbecoming, and the use of words so unloving, while our brother is asking the severance of the tie which has so long bound him and us together, we accord his request.

4. Resolved, lastly, That in justice to our presiding officer and his council, as well as to ourselves, as a body, we can but accompany our consent to our erring brother's withdrawal from our Conference with these words of sorrowful censure.

REPORT OF THE COMMITTEE ON EDUCATION.

Randolph Macon College.

This Institution is now in its semi-centennial year, having been opened for students in 1832, though chartered two years before, in February, 1830. It is the oldest chartered Methodist College in the United States, and has steadily pursued its work, sending out, from year to year, young men with Christian training to reinforce the ranks of the ministry, and to fill places of honor and usefulness in society. The influence of this College during the half century of its effective operations can scarcely be over-estimated, and the Church can never render a pecuniary equivalent for the benefits she has received from this source. The measure of our liberality will always be fully returned in that which is far better than gold and silver—sanctified Christian learning.

The attendance at the present session of the College is not as large as in former years, but the number is about 100 students, the falling off being due to a variety of causes. The principal reasons assigned are the financial embarrassments of many sections of the country; the multiplication of rival Institutions, and the low rates of tuition. But we are persuaded that the patronizing field in the Baltimore and Virginia Conferences is sufficient to furnish Randolph Macon with abundant resources. If this is not done, the fault lies at the door of those who fail to appreciate the value of Christian education. We are informed that the amounts remitted annually to privileged students have ranged from \$3,500 to \$5,000; thus the College returns to the Church every year a full equivalent for the contributions made to the education fund in the two Conferences. We, therefore, recommend the continuance of the assessment of two thousand dollars, for the benefit of Randolph Macon College.

The debt of the Institution has been greatly reduced, and, we are informed by the President, is now in a manageable shape, so that, by proper efforts, it can be extinguished within a reasonable time.

By a recent Act of the Legislature of Virginia, the Board of Trustees are authorized to issue bonds, for the purpose of funding the entire debt of the Institution. These bonds will be secured by a property valued at \$60,000, and will present a profitable investment to those who have capital at command; and for this reason, we do not believe there is any need for a special agent to be appointed from this Conference to conduct the negotiation.

Valley Female College.

From representations made to us by the Visiting Committee appointed at the last session of this Conference, and by the President of said Institution, located at Winchester, Va., and now under the management of Rev. John P. Hyde, A. M., the Valley Female College is in a prosperous condition, and we hereby commend it to all who may have daughters, to whom they may wish to give the advantages of a thorough Christian education.

Montgomery Female College.

This Institution, located at Christiansburg, Va., is owned and managed by Mrs. O. S. Pollock, the widow of a Methodist preacher. She is known to many members of this Conference as a lady of culture and refinement, and every way worthy and well qualified to succeed in her great enterprise. Three of her teachers are accomplished Methodist ladies; and we commend the Institution to the hearty support and sympathy of our people.

Johnson Female College.

This Institution is located at Union, Monroe county, West Virginia, under the charge of C. E. Johnson, a member of our Church. It is situated in a healthy section of the State, and is conducted by able and efficient Christian officers and teachers. It affords us great pleasure to learn, from the report made to this Conference, that it enjoys a large measure of prosperity; and we commend the School to the patronage of our people.

We recommend the adoption of the following:

Resolved, That the presiding Bishop be requested to appoint Rev. W. A. Harris to the Wesleyan Female Institute, and Rev. J. P. Hyde to the Valley Female College.

W. P. HARRISON, Chairman.

MINORITY REPORT FROM COMMITTEE ON EDUCATION,

(Subsequently adopted by the Conference, see page 29)

The undersigned, minority of the Committee on Education, beg leave respectfully to report that they endorse fully and heartily all the recommendations by the committee of various institutions of learning to which their attention was called by papers referred to them by the Conference, and especially those referring to Randolph Macon College and Wesleyan Female Institute, as belonging exclusively to the Church, and that they should, therefore, receive the patronage and support of the Conference in preference to all others; and, believing as we do, that these two institutions, representing the one male and the other female education, are entitled equally to the confidence and support of this body, and are alike ready to give free education to the sons and daughters of the ministers of this Conference, we are, therefore, of the opinion that the educational fund raised by this Conference should be divided between these institutions, and respectfully recommend the following resolutions for adoption:

1st. Resolved, That \$ be assessed by the Conference for an educational fund, in the same manner as other assessments.

2d. Resolved, That the proceeds arising therefrom be equally divided between Randolph Macon College and the Wesleyan Female Institute.

REPORT OF THE COMMITTEE ON SUNDAY-SCHOOLS.

Your Committee, after a careful consideration of the condition and wants of our Sunday-School work, respectfully report as follows:

We are glad to report a continued increase of interest and effort in this important department of Church work. The Church is taking higher ground upon this subject, and is exhibiting a deeper appreciation of its value as a sanctified agency for the conversion, religious and moral training, of the youth of our Church. The benefits which the Church realizes from this department amply repay it for all the expenditures of means and effort.

There is a decided improvement in the methods of Sunday-School work, and we think that this improvement is largely the result of the enlightening influence that goes forth from the Baltimore Conference Sunday-School Society.

We reaffirm the hope expressed in the report of this Committee, adopted at the last annual session of this Conference, that the annual conventions of this society be represented by our charges as largely as possible. In order to further increase the interest and efficiency of this important department, we recommend the following:

1st. That all the preachers and Sunday-School workers shall see that our schools shall not be secularized, but made more spiritual; keeping constantly in mind the primary object of all Sunday-School work—the conversion and growth in grace of all its members.

2d. That as our Sunday-School teachers bear the relation to their classes similar, in many respects, to that of the class-leader, they should be impressed with the importance of supplementing their duties as catechists, with those of the class-leader, by making most careful inquiry, every Sabbath, into the spiritual state of the children in their respective classes, who are members of the Church.

3d. That experience and prayer meetings be held frequently in all our schools.

4th. That all our schools be more fully imbued with the missionary spirit of the Church, and to this end we call especial attention to the disciplinary requirement of organizing Sunday-School Missionary Societies wherever practicable.

5th That the Superintendents conduct a monthly, and whenever practicable, the Pastors, a quarterly, review of the lessons; and to this end, both the Pastors and Superintendents should thoroughly study the lessons, that in these reviews they may be the better prepared to impress the practical teachings of the same upon the scholars.

6th. That our Pastors frequently lecture, or preach, upon the regular lessons before their congregations, so that all may become more interested in these studies.

7th. That our children shall be particularly instructed in the doctrines and polity of our Church; and in order to do this, every school be furnished with the Wesleyan Catechisms and Bishop McTyeire's Catechism on Church Government.

8th. That the Presiding Elders be requested to see that the interest of Sunday Schools are brought prominently before all our District Conferences, and that a portion of a day, at least, be devoted to Sunday-School interests.

9th. That all our schools be furnished with our Sunday-School literature and requisites, published at the Nashville Publishing House.

10th. That it is gratifying to know some schools, which heretofore were closed at the approach of winter, have been kept open during the entire year; and we commend such as examples to be followed by others, so that all our schools shall be kept open every Sabbath in the year.

11th. That the expenses of our schools should be provided for by each congregation, and not exclusively by the officers and teachers of the schools.

12th. That the Preachers in charge of circuits and stations be requested to preach a special sermon during the year in favor of the Sunday-School cause, setting forth the duty of parents and members of the Church to the schools.

The Committee, in conclusion, take pleasure in calling attention to the Sunday-School Depository, established in Baltimore, under the care of Rev. B. F. Ball, the Sunday-School Secretary of the Conference, as furnishing ex-

cellent facilities for the supply of Sunday-School libraries and requisites. We recommend that the Conference respectfully request the Bishop to appoint Rev B F. Ball as Sunday-School Secretary.

CHARLES M. BROWN, Chairman.

WM. J. KING, Secretary.

REPORT OF THE COMMITTEE ON MEMORIALS TO GENERAL CONFERENCE.

The Committee on Memorials to the General Conference respectfully report as follows:

Various papers were referred to your Committee, which were carefully considered, and which we return herewith, indicating herein the action of your Committee in each case, viz:

- 1st. Memorial from the official members of our church on Lewisburg District, against any change in the boundaries of the Baltimore Conference. (Reported, unanimously and emphatically, favorably.)
- 2d. Memorial from Winchester District Conference, asking, first, an addition to chapter 3, section 2, item 3, page 72, of Discipline, as follows: "and provided, that no man be kept in the office of Presiding Elder more than eight consecutive years, and that an interval of at least four years shall elapse before he shall again be eligible to the office of Presiding Elder, except when the Bishop and Presiding Elders unanimously agree that the necessities of the work require it;" and second, that the power of the Bishops to make appointments shall be so restricted, that they can not make appointments during a session of an Annual Conference, without the concurrence of at least one-third of the Presiding Elders. (The Committee reports, on each proposition, unfavorably.)
- 3d. A part of the report of the Committee on Publishing Interests, referred to this Committee by the Conference, recommending, first, "that the General Conference select one set and system of Catechisms from the many already published, or to have such prepared and published, that we may have one standard and authorized system of doctrinal instruction." (Reported unfavorably, because the recommendation is already met by the authorized publication of the Wesleyan Catechisms Nos. 1, 2 and 3.) Second, (recommendation) that the hymns in the book published by our publishing house, entitled "Hymns and Tunes," be numbered in the next edition, to correspond with the hymns in our hymn book. (Reported favorably.)
- 4th. Resolution offered by Revs. P. H. Whisner and Samuel Rodgers, that we memorialize the General Conference to change the law in regard to Supernumerary preachers, so as to require the appointment, by the Annual Conference, of a Committee, to which all applications shall be referred, and to make the recommendation of the Committee a condition upon which the relation may be granted. (Reported unfavorably, but subsequently adopted by Conference. See page 32.)

5th. Resolution offered by Revs. P. H. Whisner and Samuel Rodgers, that we memorialize the General Conference to enlarge the duties of the Examining Committee for admission on trial, and of the first and second years, so as to include the examination of character and adaptation to the itinerant work, as well as the course of study prescribed by the Bishops; and to make the approval of the Committee a condition of advancement. (Reported unfavorably, by a tie vote, but subsequently adopted. See page 32.)

6th. Resolution offered by Rev. W. A. Wade and J. B. Bond, to so amend the Discipline, chapter 3, section 5, item 2, that recommendations for applications for admission to the traveling connection be made by District Conferences, instead of by the Quarterly Conferences. (Reported *unfavorably*.)

We respectfully recommend, that the papers upon which we have made favorable report, together with a copy of this report, be furnished by the Secretary of the Conference to the Delegates who shall represent us in the General Conference; and that they be requested to use all proper means to carry out the wishes of our Conference.

All of which is respectfully submitted,

NELSON HEAD, Chairman.

E. B. PRETTYMAN, Secretary.

V.

REPORT OF COMMITTEE ON PUBLISHING INTERESTS.

The Committee beg leave to report:

That they have learned, from the report of the agent of the publishing house, and by his statement to them of facts more recent, of its very remarkable prosperity; that its debt of \$319,000 has been paid or funded; many of its bonds taken up and redeemed at par and cancelled; all interest on them, and all current expenses, fully met; capital, stock and business, largely increased, and all things are now "fully adjusted, and are upon a sound basis;" the publication of books has been increased; the character of its periodicals improved, and the prices of the same greatly lessened. This is especially true of its Sunday-School literature.

They offer the following resolutions for your adoption:

- 1. Resolved, That we will strive yet more earnestly to increase the business of the house, and to bring its blessings to our people.
- 2. Resolved, That we appreciate and highly regard the services of the Sunday-School Editor, Book Editor, Book Committee, and especially the agent of the house, Brother McFerrin, trusting they may be continued in this work.
- 3. Resolved, We will endeavor to increase the subscription lists of the Quarterly Review, Christian Advocate, Advocate of Missions, and the Women's Missionary Advocate.
- 4. Resolved, We rejoice in the reported success of our publishing interests in Mexico and in China.
 - 5. Resolved, That we heartily commend our Sunday-School literature, and

that we will insist upon the use of our own publications in our Schools; the more so, inasmuch as they have been greatly improved and cheapened.

- 6. Resolved, That whilst we acknowledge our books are published at low rates, we yet respectfully urge our Book Committee to make such further reductions as increased prosperity may enable it to do.
- 7. Resolved, That we commend the Book Depository in Baltimore, under the management of Rev. B. F. Ball, our Conference Sunday-School Secretary and advise our people to order books and periodicals through him, and that we ask his reappointment to this work.
- 8. Resolved, That we commend the Theological and Homiletic Monthly, edited by Rev. R. N. Sledd, D. D., of Richmond, Virginia.
- 9. Resolved, That we continue to recommend the Baltimore Episcopal Methodist, now owned and published by Rev. W. K. Boyle, and that we respectfully request the Bishop to appoint him its editor.

Your Committee would further recommend to the Conference, that it memorialize the General Conference to select one set and system of catechisms from the many already published, or to have such prepared, that we may have one standard and authorized system of doctrinal instruction; and that it memorialize the General Conference to have our hymns, now in use, published in shape, style, manner and arrangement, similar to the hymnals of other churches, both set to tunes and without tunes, in which the number of the page and of the hymn in the book with tunes shall be the same as in the book without tunes—believing that such a book would be more convenient, satisfactory, complete, durable, cheap and popular, than our hymn books and tune books are in their present form.

PRESLEY B. SMITH, Chairman.

ASBURY R. MARTIN, Secretary.

VI.

REPORT OF THE COMMITTEE ON TEMPERANCE.

Your Committee beg leave to submit the following resolutions:

Resolved, 1. That we will heartily co-operate with all judicious movements in their work against the terrible vice of intemperance.

- 2. That we will preach and speak against it, as opportunity offers, setting before the people their danger, warning men and seeking to save them.
- 3. That we will enforce, on the part of our members, a faithful observance of the Discipline on this subject.
- 4. That we are in hearty sympathy with the movements made within our territory to secure prohibition or local option.
- 5. That we recommend to our people the Southern Crusader, and will seek to broadcast it among the people of our charges.

JOHN W. WOLFE, Chairman.

J. T. WILLIAMS, Secretary.

VII.

REPORT OF THE COMMITTEE ON THE BIBLE CAUSE.

The general circulation of the Bible among the masses of men we believe to be a very essential adjunct to the preaching of the gospel, in counteracting the baneful influence of the infidel and immoral literature, which, in the shape of books and periodicals, is, like the locusts of Egypt, entering the homes of the people, and covering the land.

There are thousands of families, even where they have easy access to it, who are without a copy of the Bible in their homes, either because they are indifferent to its value, or are without means to purchase it. If the former, let us endeavor to teach them its value, and induce them to "search the Scriptures," that in them they may "have eternal life;" if the latter, let us see to it that the Word of God is placed in their hands, and urge them to read it, that they may know the "will of the Lord concerning them." It should be our aim to place the Bible in every home, and if possible, in the hands of every man, woman and child. Bishop Asbury, after he had grown old and feeble in the work of the ministry, purchased a load of Bibles, and distributed them among the people, saying, "whatever I may have failed to accomplish in the past, now I know I am doing good, for I am sowing the precious seed of God's own truth."

We, therefore, recommend the adoption of the following resolutions:

- 1. That as a knowledge of the Word of God is the basis of true Christian character, we preach a specific sermon on the importance of searching the Scriptures and becoming thoroughly familiar with them.
- 2. That we bring to the attention of our people the Bible cause, and lift a collection for it; that we report these collections to the nearest agent of any auxiliary society of the State society in which the collection is taken, or to the State society, where no auxiliary exists.

D. THOMAS, Chairman.

H. W. KINZER, Secretary.
